

# Boss Goddess Affirmations

Here are some affirmations to inspire you to create your own. Read through this list and see if anything pops out to you. The affirmation you use should be a positive statement describing the thing that you are manifesting. It should feel amazing to say it. It should feel powerful and emotional. It should feel just right to YOU. So play around with these and change the words until you find an affirmation that feels right.

## **Purpose/Mission/Doing What You're Born to do**

I am worthy of all of my desires.

I stand in my truth and release the fear of judgement.

It is safe for me to express my truth.

I am attracting my tribe of soul sisters.

I am supported by the Universe.

When I step into my truth, it allows others to do the same. It is my duty to live out my purpose.

I know my mission.

I know my purpose.

I am living my purpose and it feels freaking amazing!

## **Trust**

I trust that my desires are coming to me in divine timing.

I am a manifesting queen and I can create anything that I want.

I believe in myself.

I trust that I am being guided.

I trust that everything is happening for a reason.

I know that the Universe has my back and we're manifesting my desires together.

I know that I can have whatever I want, I just have to believe that it is mine.

I believe.

## **Lifestyle**

I am free.

I always have enough money for all of my needs and desires.

I have the time and finances to take amazing holidays.

I am living a life I love.

I can have, do, be and achieve anything I want.

I am living my dream life.

I have enough time to do everything I want.

I have enough money to do everything I want.

## **Career/Business**

I am always the first to be promoted.  
I always get pay raises.  
I love my work and get paid well for it.  
I am always booking clients that I love to work with.  
My work is of high value and is worthy of compensation.  
I am making \$xxxxxxx this year.  
I am open to finding a career and job that I love.  
My business is thriving.  
My clients love to pay me.  
I believe in myself and my abilities.

### **Relationships**

I have a super fun social life.  
I am attracting a loving, supportive soulmate.  
I am open to love.  
My partner loves, respects and supports me.  
We are a great team.  
I attract positive people into my life.  
My friends are fun and supportive.

### **Contribution**

I am making a meaningful contribution to society.  
My work positively affects others lives.  
I am always able to help and support causes that are important to me.  
I am making the world a better place.  
I can affect positive change.  
I can make a difference.

### **Finances**

I love money and money loves me.  
I am worthy of an overflowing bank account.  
Money is a neutral resource and it is safe for me to have lots of money.  
I have a f\*ck ton of money!  
I can always afford everything that I want and need.  
My needs are always met.  
Money flows to me easily and in abundance.  
I am a money magnet.

### **Abundance**

There is enough success for everyone.  
There are enough clients for everyone.  
I always have more than enough.  
The universe is limitless and provides for me in abundance.

I have MORE than enough.

I am so WORTHY of having more than enough.

### **Clarity**

I know the way forward.

I am open to being guided, signs are all around me.

I know my life purpose.

I know what I am passionate about.

I know what I want and am taking steps to accomplish it.

The path forward is becoming clearer and clearer to me everyday.

I know I am being guided towards the perfect [job, experience, person, place]
